## Manufacturer Award

This award category recognises companies that have contributed to the growth of the South African economy through the setting up of manufacturing plants and the production of high quality products. These organisations are recognised for their efforts in reinventing manufacturing in a way that ensures South Africa’s competitiveness, feeds into the Nation’s innovation economy and invigorates the domestic manufacturing base. The objective is to position the Nation to lead the world in new disruptive advanced manufacturing technologies that are changing the face of manufacturing.

Complete all mandatory information and documents for this category in order to successfully submit your entry.
